Dear Dean:

It is with great pleasure that A M King Construction Company, LLC has announced that LTI Contracting has been selected the project's Subcontractor of the Month award for July 2007. Criteria for this award is based on safety, conformance to project specifications, housekeeping, daily reporting, schedule, and coordination with other trades.

Everett Petty and his crew were outstanding project team members in accomplishing all areas identified above. It was only through their commitment that the thermal panel installation is being completed in a safe and coordinated manner.

Please pass along our appreciation to Everett and his crew on a job well done!

We look forward to having the opportunity to work with your company on future projects.

Sincerely,  
A M King Construction Company, LLC
